This document is designed to give you an update of what your child will be learning between now and July 2024. We will do our utmost to help your child achieve these goals.

We continue to be happy to discuss with you how best you can support your child with their learning and celebrate their achievements. We have added some additional ideas for support against each curriculum area.

- Students should read at home each night and discuss the reading with an adult.
- Reading books can be changed weekly from the class library collection.
