## NOTICE:

- · We can accept additional application forms starting in January if you have not decided your address.
- ${f \cdot}$  A student who travels to and from home on a school bus throughout the year can use the bus.
- Your child will be placed on the waiting list if there is no space available when you apply.
- When a bus reaches capacity, priority will be given to students in K1-Grade 3 as they are the least able to use public transportation.
- We may change the school bus stops next year in order to maximize the number of students having access to school bus transportation.
- It may be necessary to change bus routes and timetables depending on demand.
- If you apply for use of the school bus, we will advise you of the new timetables by the end of February.
- The bus fee must be paid in full amount regardless of the type of journey made (one or both ways).
- · For any changes, including cancellation, please contact the office and submit the appropriate form.
- A strict bus schedule will be observed. The bus will leave the bus stop without your child if you or your child shows up late to the bus stop.
- The school may refuse your child access to the school bus if your child continually exhibits poor behavior on the bus. Please see the Bus Rules on the MIS website Parents→Transportation page.
